

# BSRF RESEARCH BURSARY

The **BSRF** is looking for a spinal nurse, orthotist, physiotherapist or other allied healthcare professional who has experience working in spinal or orthopaedic units. We want them to undertake a 12 month research project that will help us improve the care of scoliosis patients, particularly at the point of diagnosis. We are offering up to **£15,000**, to establish the acceptability of existing information material available to scoliosis patients and their families and obtain recommendations for the development of new material.

**Closing date: August 31st 2009**

**TO FIND OUT MORE  
AND TO APPLY FOR A  
RESEARCH BURSARY, GO
