### Information Distribution Services

BAPO offers several services to customers who wish to target our members and affiliates. Almost 100% of the prosthetists and orthotists in the UK can be reached and the following standard services are available,

- Advertising in our magazine, BAPOMAG
- Distribution of job advertisements
- Distribution of product literature

- Advertising in our Conference literatureAll of these services are administered by the BAPO Secretariat and we would be pleased to discuss these with you further. Please note that we do not, under any circumstances, release mailing lists of our members and affiliates.
